

# Rooftop Solar PV Solutions

## Thermax's innovative practices

- ◆ Help to utilize roof space even after installing a Solar PV plant
- ◆ Reduces implementation time by setting up a plant with zero civil works
- ◆ Simplifies maintenance with non-penetrating structures
- ◆ DG - PV synchronization

Installations spread over  
**40** cities in **15** states

Over **35 MW**  
contracted on EPC basis

Over **70+** customer

### Registered Office

D-13, MIDC Industrial Area, R D Aga Road, Chinchwad, Pune 411019, India
